

SunMaxx Solar Hot Water Non-Pressurized Storage Tank 10 Year Parts Warranty

SunMaxx Solar Hot Water Non-Pressurized Storage Tank 10 Year Warranty

SunMaxx Solar warrants to the original owner that the SunMaxx Solar Hot Water Storage Tank will be free from defects in workmanship and materials for a period of Ten (10) Years from the original date of purchase.

Should the part(s) prove to be defective under normal use during this period, SunMaxx Solar Inc will be responsible for replacement of the defective part(s) only. SunMaxx Solar Inc will not be responsible for any costs of transportation, removal, reinstallation, or any other labor or freight charges that may arise in connection with a warranty claim or any incidental or consequential expenses.

This warranty does NOT apply:

1. To conditions that result from a failed component or part that is not part of the solar storage tank
2. To Freeze Damage
3. To conditions resulting from misuse, abuse, neglect accident, or alteration
4. To conditions resulting from the introduction of harmful chemicals, caustic fluids, or liquids deleterious to copper tubing, including improperly applied or maintained heat transfer fluids
5. To excessive pressure
6. To conditions resulting from floods, earthquakes, winds, fire, lightning, or circumstances beyond the manufacturer's control
7. To installation methods that do not conform to relevant national, state or local codes and ordinances, good industry practices or applicable manuals, diagrams, technical bulletins or written installation instructions; and to applications other than medium temperature
8. Tank temperatures must be kept at less than 175 degrees Fahrenheit
9. Tank acidity must stay above 6 and below 8 PH

To obtain service under this warranty, the owner must first secure written authorization from SunMaxx Solar Inc. The owner shall be responsible to show proof of purchase date, and to pay all transportation costs to return the defective part(s) for repair or replacement, and for delivery of repaired or replaced items back to the owner.

Extended Warranty Options:

SunMaxx Solar offers extended warranty options for its SunMaxx Solar Hot Water Non-Pressurized Storage Tanks. These Extended Warranties add a certain number of years to the standard 10 Year Warranty.

- 10 Year Standard Warranty
- 5 Year Extended Warranty (15 Year Total Warranty) -- \$500
- 10 Year Extended Warranty (20 Year Total Warranty) -- \$700
